

Manes & Motions Therapeutic Riding Center, Inc.
A Member of the Hospital for Special Care Community

Summer 2016

Dear Friend,

You are invited to support Manes & Motions Therapeutic Riding Center with a donation of an item or service as an auction prize for The Mane Event on September 16, 2016.

Presented at Manes & Motions' new indoor riding arena at Daniels Farm in Middletown, The Mane Event showcases our new arena and raises funds for the year-round riding program for children and adults living with special needs. The Mane Event features a country casual theme, live band, Bears' BBQ, games and silent and live auctions. Last year 260 guests attended The Mane Event and over \$72,000 was raised for our riders living with special needs.

All proceeds support Manes & Motions Therapeutic Riding Center, a non-profit organization annually serving more than 250 children and adults living with special needs, including autism, ADHD, cerebral palsy, Down syndrome, multiple sclerosis, stroke and traumatic brain injury, as well as returning U.S. military veterans coping with post-traumatic stress disorder (PTSD).

If you can help, please complete and submit the enclosed donation form with your donation. For more information, feel free to contact me at 860.612.6312 or Lglovna@hfsc.org. Thank you.

Sincerely,

Linda Glovna
Director of Development

*Manes & Motions is a 501(c)3 organization # 06-1550599.
All donations to Manes & Motions are tax-deductible to the extent allowable by law.*

Ensuring excellence and changing lives through equine-assisted activities and therapies.
